Master of Commerce (MCOM)

The Master of Commerce (MCOM) is a programme designed for those who wish to advance academically and professionally in business science, with specialisations in Strategic Management Accounting, Sustainability Accounting, Finance, Marketing, International Business Management, Management Science and Strategic Management.

The MCOM programme seeks to prepare students, not only in the academic field but the programme also prepares graduates who can manage organisations with diverse operations. The programme equips candidates with critical skills which are required in the workplace. The overall aim of the programme is to produce business scientists who are capable of handling dynamic business environment and transform their organisations. The programme also prepares graduates to pursue the rigorous of advanced research without having to undergo preparatory classes.

- Marketing
- International Business Management
- Management Science
- Strategic Management

LEARNING FACILITIES

E-Learning

Strathmore University is a pioneer in the use of ICT. Our e-learning system enables students to view the coursework material that lecturers have posted, submit their finished assignments, update their calendars, interact and chat with fellow students, participate in various fora and communicate with their lecturer. Students have access to numerous computer laboratories, unlimited Internet, a wide range of software and e-mail. A wireless network enables students with laptops access to the network from various locations around the campus.

Library

The library complex and reading room are spacious, with an atmosphere that is highly conducive to private study and research. The wide range of material contributes to the university's excellent academic performance. The library system is available online.

THE CURRICULUM

The MCOM programme is structured into a total of 21 units comprising of 8 common units, 5 specialisation units, 2 elective units and 6 research equivalent units.
