Bachelor of Arts in Development Studies and Philosophy

Strathmore University
School of Humanities and Social Sciences

Achieve excellence in your chosen profession
The Bachelor of Arts in Development Studies and Philosophy offers a unique and comprehensive unit in philosophical grounding issues of human development. It prepares graduates to help solve problems of contemporary society. Thus, they will be capable of acquiring not only technical skills but also the intellectual capacities to forge ideas and implement them.

CAREERS
Professionals in international organisations, public policy analysts, programme managers and staff, private sector professionals, and leaders, private foundation professionals and youth development professionals.

It has opened me up to ignorance that I didn’t know I had. Love the practicality of it.
