

## **PROTOCOL FOR ENTRY INTO STRATHMORE UNIVERSITY**

1. All persons entering the University will be screened at the gates by our security team and required to sanitize/wash their hands prior to entry.
2. Information captured at entry points will include biodata and temperature reading.
3. **All persons accessing SU will be required to have a mask which they must wear appropriately at all times on the premises.**
4. Any person with flu-like symptoms, student or staff, will be required to stay at home, until the symptoms resolve. They should inform their faculty for arrangements of attendance of online classes, special examinations or possible remote working, respectively.
5. Those requiring medical attention to visit the SUMC/medical facilities of their choice for review and further management.
6. Any person gaining entry into the facility is required to adhere to the COVID19 protocols as e by the signages.
