Achieve excellence in your chosen profession
Bachelor of Business Science: Financial Economics

The Bachelor of Business Science in Financial Economics degree offered at Strathmore is designed to prepare students for successful careers in multidisciplinary fields. This programme is both challenging and rewarding. Its distinctive feature which links economic theory, quantitative finance and financial regulations, helps you to develop analytical and practical skills to meet the challenges faced in the marketplace.

CAREERS

The degree is for high-achieving students looking for a career in management consultancy, investment banking, asset management, private equity or a career in policy-making authorities such as central banks, commercial banks, international organizations and brokerages.

Programme Strengths
- Applied Learning Approach
- Close and active industry interaction
- Specialized financial software training

“BBS Financial Economics has practical and interpersonal skills that I can apply in the financial modeling and risk analysis practice.”
