## Bachelor of Arts in International Studies

The Bachelor of Arts in International Studies prepares persons who wish to work in diplomacy, large international organizations, NGO's, international trade and global corporations.

The course aims at equipping students with skills that will enable them to effectively start a career in organizations that traverse national boundaries in public service as well as private enterprise within culturally and legally diverse settings.

The course is also designed to develop persons of high integrity with critical thinking skills, and with excellent communication abilities both written and oral, and who can interact confidently with the international community.

## CAREER OPPORTUNITIES

The graduates are prepared to become:

- Business developers, Cross-border entrepreneurs,
- Mediators,
- International development workers in governmental, non-governmental and international establishments.

"The course gives me a platform to interact with different cultures around the world."
