

Graduate Programmes

Strathmore
UNIVERSITY

Strathmore University caters for those seeking to be outstanding professionals, revolutionary entrepreneurs, inspirational managers or exemplary leaders willing to make an impact and transform our society.

Our culture and reputation for outstanding excellence is deeply rooted in our academic programmes and we are driven by the desire to enable you recognize the dignity and worth of self and of others with the aim of propelling you to achieve the highest level of excellence.

Why Strathmore?

A PIONEER IN STANDARDS

Strathmore University, its alumni and its partners have always been at the forefront of business education and standards.

OUR INTERNAL FOCUS IS DRIVEN BY:

Fostering excellence; freedom and responsibility; ethical practice; personalised attention; subsidiarity; collegiality; lifelong learning; service to society; and continuous improvement.

OUR FOCUS ON STRONG RESEARCH BASIS

The foundation for all Strathmore programmes is provided by international faculty and the research they carry out. Strathmore works closely with Strathmore Research and Consultancy Centre (SRCC) who undertake research and maintain links with industry so as to keep our teaching and learning at the cutting-edge.

GLOBAL EXPOSURE AND QUALITY TEACHING STAFF

Strathmore relies on dedicated teaching staff, industry practitioners and visiting international professors to give the students an interdisciplinary and global experience in their learning.

CULTURE OF ETHICS & PARTICIPANT CENTRED LEARNING

Strathmore encourages participants to aim for high ethical standards. Case studies are selected from the best international business schools. The group interaction and participatory approach to

teaching gives the participants a chance to analyse new business problems, while sharpening their business decision-making skills.

FOCUS ON PEOPLE

Strathmore knows that it is people who matter. People are the heart of any organisation and key to sustaining any organisation. People are always our main focus in all we do. We give you personalised education, with special emphasis on human and ethical values.

TIMELY COMPLETION OF STUDIES

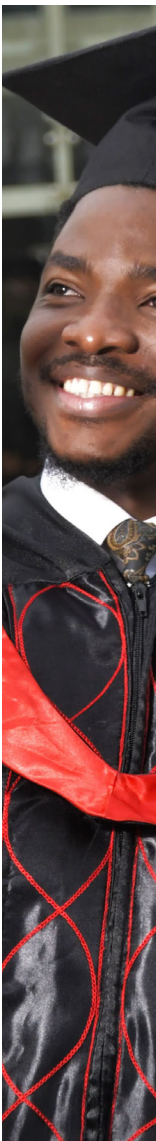

Students are assured of completion of an uninterrupted learning period of 2 years.

WORLD-CLASS FACILITIES

Strathmore has avant-garde architecture that has been designed and built uniquely and in compliance with energy conservation requirements. This ensures delivery of a rich and holistic learning experience for its students.

SCHOLARSHIP AND FUNDING OPPORTUNITIES

The university is always engaging stakeholders to provide funding and scholarship opportunities. Through the university's graduate assistantship programme, National Research Funding, and HELB, master's students can now access financing for their studies.

OUR ENTRY REQUIREMENTS

The following are eligible for admission into the graduate programmes:

- Holders of First Class or Upper Second Class Honors degrees in relevant discipline from recognised universities; or
- Holders of other related qualifications from recognised universities, considered by the Academic Council as equivalent to a First Class or Upper Second Class degree in relevant disciplines; or
- Holders of Lower Second Class degrees plus Postgraduate Diploma/ or should have at least two year's working experience in a relevant working environment.
- The applicant must have obtained the minimum university entry requirement i.e. scored at least a C+ in their KCSE (or its equivalent).

* These masters' programmes require at least two years of managerial work experience.

INTERVIEWS REQUIREMENTS

- Entry to graduate programmes is through a graduate entrance examination (GEE) and an oral interview.
- Interview days are communicated to the applicant once you get in touch with the admissions team.
- An interview fee is applicable and is non-refundable.
- The applicant is required to provide certified copies of academic certificate(s) and transcripts.
- The applicant also needs to provide two reference letters from academic referees duly filled in; the forms are provided at the time of application.

Kindly note, all other documentation required for admission will be communicated to the applicant prior to attending the interview.

TESTIMONIALS

"Transformational.... I gained a lot of confidence from pursuing the SBS MBA which was very helpful in my new role. The faculty was highly qualified and committed in sharing knowledge."

Enid Otieno (Kenyan)

Internal Auditor
ICEA Lion
2014 MBA Graduate

"I am a photojournalist, seeking a story behind every photo, the person behind the story and hope behind the life. I build my life with the biography of the others. MAPE explains who the others are. My aim is to try to portray in photographs the human condition in Brazil, Kenya, India, Congo, Spain or wherever my projects may take me. I needed to know 'the human condition' and MAPE gave me that understanding in order to develop conceptual ideas for transforming in pictures. This course allows you to think differently with your job in many ways, without following the mainstream."

Ismael Martinez Sanchez (Spaniard)

Photojournalist and Consultant in Visual Communication;
Navarra University
Current Student

"I would emblem it the 'Masterstroke' because I was not disappointed. It has been a career boost within reach providing a successful transition to my professional phase. Revisiting my motivation for choosing the programme, I feel I made the right choice: and the scholarly reputation of the Faculty of Information Technology behind it playing a crucial role in the outcome."

Janet K. Mackenzie (Kenyan)

MsCIT Graduate
Operations Director at Hospitality Systems Consultants Limited

"I chose Strathmore University because they have been performing exceptionally well as a University. I was intrigued by the quality of their facilities, their remarkable lecturers and teaching material. The University is also keen on inviting international professionals to add to the industry experience in class. I learnt a lot from Strathmore."

Paul Schutzeichel, (German)

MCOM Graduate
Country Sales Director, Robert Bosch East Africa Ltd.
